joseph-sarfo-boadi-377735197 📄

A dedicated and passionate Full Stack Web Developer with experience focusing predominantly on Javascript (React.Js and Node.Js) but always able to adapt to new learning environments. With my background as an Educationist, a Science Teacher, a Sale Manager, and the full stack learning experience at the Helsinki Business College has given me the advantage to excel in collaborating or working individually as demonstrated in each project and throughout my career.

## Skills:

React.js
